This article [*Opt. Eng.* **51**(8), 089001 (2012)] was originally published online on 2 August 2012 with missing references. On p. 5, the paper mentions the “Sheik-Bahae model,” and on p. 6 it mentions the “Cuppo method,” but neither of these methods were cited. References have been added accordingly, and the last 5 references have been renumbered as follows:
