A revised version of this manuscript was published on 13 May 2021. Details of the revision are provided in the text that accompanies this Erratum. The original paper has been updated.

1. In the original version on page 9, Table 3, the standard deviation (SD) value of Symmetric RMSD for Group P-A was 0.34. It is corrected to 0.35. The SD value of Symmetric HD95 for Group M-M was 0.27. It is corrected to 0.40.

2. In the original version, the description of the proposed method being "semi-automatic" was inaccurate. The term "semi-automatic" is removed in the new version.
