

Bleeding Detection for Wireless Capsule Endoscopy Images of Small Bowel: Based on CNN Trained with SegNet Layers (Withdrawal Notice)

Sen Wang, Simin Yang, Yuheng Wu, Xueyan Zhou and Zheng Li, Sichuan University (China)

Proc. SPIE 12475, Second International Conference on Advanced Algorithms and Signal Image Processing (AASIP2022), 1247501 (22 November 2022); doi: 10.1117/12.2660685

Online Publication Date: 28 November 2022

Withdrawn from Publication: 6 February 2023

Conference Date: 19-21 August, 2022

Conference Location: Hulun Buir, China

Conference Title: Second International Conference on Advanced Algorithms and Signal Image Processing

Conference Chairs: Wanlin Li
